Comments		Andrew does good work, but he takes on more work that he thinks he can handle, but he's learning and is willing to let other put work as well.	Theoron does his work and he does a good job at it, but he had a tendency to go off track with his rants	I like Kelsey's personality, she very willing to help where she can. I like her attitude, and she does her best to contribute.	Royce over all is interacts with the groups, engages on conversations and is excited about our work.
